

Premier Services

Why book au2mator Premier Services?

The screenshot shows a user interface for 'Start a request'. It has two main sections: '1. Select services' and 'AVAILABLE SERVICES'. Under 'AVAILABLE SERVICES', there is a 'Favorited Services' section with a star icon. Below it is a grid of service cards:

Service	Description	Rating
User Onboarding	User Onboarding	★
Request a Software	Request a Software	★
Create New Team	Create New Team	★
Assign Microsoft Online License	Assign a Microsoft Online License to a User	★
Update User Details	Update Details for an Active Directory User	★
New Azure VM	Create a new Azure VM	★
Assign temporary AD Group Member	Add a User to a Group for a specific Time. User will then be removed from that Group automatically	★
Add MAC to Cisco ISE	Add MAC to Cisco ISE	★

OK, we are au2mator, that is a fact! So we know how to make the best out of it. But there is something more.
